MP ANDREW ROSINDENLL PREDICTS NO DEAL BREXIT

Future generations 'will thank us for Brexit'

Andrew Rosindell MP predicted a no deal Brexit as he addressed the Rutland Biz Club at their regular monthly lunch at the Falcon Hotel in Uppingham last Friday. The Romford MP told attendees that the people of Britain should not be afraid as Conservative MPs and Theresa May's cabinet consider the Prime Minister's latest Brexit deal.

"It will be a bumpy road, but long term we will look back and think, 'what was all the fuss about?'" he said, adding that "future generations will thank us".
